Arthur R. Pasley
1529 Sunview Dr.
Dallas, TX 75253

Dear Arthur:

CONGRATULATIONS!

The National Fresh Water Fishing Hall of Fame is pleased to announce that you have been selected for "Induction" into the Fishing Hall of Fame as a Legendary Angler for 2006. Your selection was the result of our ongoing process to identify and recognize those men and women who have made significant and lasting contributions to fresh water sport fishing.

This award is the highest honor that can be bestowed on someone in the sport fishing community. Your selection was the result of our prestigious National Awards Committee's wide-ranging search to find deserving individuals for induction. As the saying goes, "Many are called, but few are chosen."

A portrait of you, Arthur, will be displayed in our museum rotunda along with your corresponding biography. It will be seen and honored by our many visitors. Your selection will be widely disseminated to many members of the media and state departments of natural resources and fisheries.

An appropriate plaque commemorating your induction is being commissioned at this time. You will be contacted by a member of our Awards Committee for presentation.

Again, on behalf of the Hall, our supporters, our Board of Governors and the Executive Board of Directors,
CONGRATULATIONS!

Best regards,

Emmett A. Brown, Jr.
Awards Committee Secretary
